## Payment Moratoriums

As a consequence of the nationwide lockdown in response to the global COVID-19 pandemic, during the period, SuperDrive granted qualifying customers a moratorium on interest and capital repayments as per the normal business processes and credit granting criteria of the Issuer. Some of these participating assets, by nature of the moratorium and related term extension, were in breach of the 72-month term eligibility criteria covenant and accordingly, were subject to a repurchase. The total value and number of participating assets in breach of the term covenant which were repurchased are set out below:

Number of accounts repurchased	Outstanding Capital Balance
13	3,445,332

Additionally, the value and number of additional restructured participating assets under the moratorium, with an ongoing active status and which remain within the covenants and therefore still form part of the overall pool of assets, are set out below:

Number of accounts	Outstanding Capital Balance
129	51,035,961

All previous moratoriums reported under previous reporting periods expired.
